Date: 24th May. 2018

**Subject: Declaration of Conformity for RoHS-Directive**

Hy-Lok Corporation hereby confirms that all Hy-Lok products and all parts of products which are currently delivered and those which will be delivered to Hy-Lok D in the future are in compliance with the EU directive 2011/65/EU "*on the restriction of the use of certain hazardous substances in electronic and electric equipment (RoHS)*"

The products do not contain any substances which are forbidden or restricted under the RoHS-Directive. This applies to all products in stainless steel material whether they are in the legal scope of the RoHS directive or not.

For all products and parts of products in brass material the following exception according Annex III and/or IV RoHS (2011/65/EU) is claimed:

Annex-no. (III or IV)	Exception-no.	Material	Shares	Product(s)
III	6c.	Pb	1,8 - 3,7 %	All Hy-Lok products and parts of products made of brass

Sincerely yours,

**HY-LOK CORPORATION**  
  
**CEO & PRESIDENT C.H. MOON**
