## Subject : Declaration of Conformity for RoHS-Directive

Hy-Lok Corporation hereby confirms that all Hy-Lok products and all parts of products which are currently delivered and those which will be delivered to Hy-Lok D in the future are in compliance with the EU Directive 2011/65/EC "*on the restriction of the use of certain hazardous substances in electronic and electric equipment (RoHS)*"

The products do not contain any substances which are forbidden or restricted under the RoHS-Directive. This applies to all products in brass or stainless steel material whether they are in the legal scope of the RoHS Directive or not.

Yours Sincerely,  
Hy-Lok  
Corporation
